

Early Bird II Educational Center

presents:

School Day Year PLUS (SDY+)

A pilot program in support of NYC families!

SDY+ Summary

The New York City Council has partnered with the Division of Early Childhood Education to create a new SDY+ pilot project for your family. Your Pre-K student is eligible to enroll in your early childhood care and education program for an additional 3 hours and 40 minutes during the regular school year for **FREE**. *Please be aware that this pilot project is only in select community-based organizations.*

How SDY+ Works

- The additional free 3 hours and 40 minutes is on top of the regular school day for a total of 10 hours each day. *Additional hours will be from 7:30am-8:10am and in the afternoon from 2:30pm – 5:30pm.*
- The regular school day and year calendar at your program will remain the same from 8:10am-2:30pm.
- SDY+ does not include holidays, breaks, or scheduled half days.
- Your child gets additional time for fun and learning with qualified program staff.
- We will be offering Spanish Language class, Art Class and Music Class!!
- Your feedback will be important in creating a program that meets the needs of all families.
