**Section 5. FEDERAL PARENT OR GUARDIAN STUDENT ETHNIC & RACE IDENTIFICATION**

Dear Families and Caregivers,

Federal law requires the New York City Department of Education to collect and record the ethnic identity and race of public school students, including those participating in City-funded contracted care. This information is kept confidential in accordance with the Family Educational Rights and Privacy Act (1974) and Chancellor's Regulation A-820, which prohibit unauthorized access to student records and unauthorized release of any student record information identifiable by either student name or student identification number.

To fulfill this data-collection requirement we need your help. Please respond to the ethnicity and race questions below. The first question provides an opportunity for you to indicate whether your child is of Hispanic, Latino, or Spanish origin; the second question provides an opportunity for you to indicate your child's race(s). Please be sure to respond to both questions. If you identify more than one race for your child, your child will be counted in a "two or more races" category. Hispanic students of all races will be counted in the Hispanic category.

The NYCDOE and our contracted programs understand the sensitive nature of this process. The options provided by the federal government may not allow for an accurate or complete portrayal of your child's own ethnic or race identification. We encourage you to provide responses using your best judgment. If you decline to respond to either question, federal guidelines require that the NYCDOE or its contracted program's staff make an identification of your child on your behalf.

Children may not be refused admission or enrollment to a program because of race, color, creed, national origin, gender (sex), gender identity, pregnancy, alienage, citizenship status, disability, sexual orientation, religion, weight or ethnicity.

Thank you for your cooperation.

|--|---|
| <b>Question 1: Is the student Hispanic, Latino or of Spanish origin?</b> The Federal Government defines “Hispanic, Latino, or of Spanish origin” as a person of Cuban, Dominican, Mexican, Puerto Rican, Central or South American, or other Spanish culture or origin regardless of race. |   |
|  | <b>Yes</b> , Hispanic   |
|  | <b>No</b> , not Hispanic  |
| <b>Question 2: Please check all boxes from the provided racial categories that apply to the student.</b> All definitions are derived from the U.S. Census.   |   |
|  | <b>American Indian or Alaskan Native</b> – a person having origins in any of the original peoples of North and South America (including Central America) and who maintains tribal affiliation or community attachment.  |
|  | <b>Asian</b> – a person having origins in any of the original peoples of the Far East, Southeast Asia, or the Indian Sub-Continent including, for example, Cambodia, China, India, Japan, Korea, Malaysia, Pakistan, the Philippine Islands, Thailand, and Vietnam. |
|  | <b>Native Hawaiian or Pacific Islander</b> – a person having origins in any of the original peoples of Hawaii, Guam, Samoa, or other Pacific Islands.   |
|  | <b>Black</b> – a person having origins in any of the Black racial groups of Africa  |
|  | <b>White</b> – a person having origins in any of the original peoples of Europe, the Middle East, or North Africa.  |
